

The (noemergencyexit) edited inferno part 3
Answer me a question

Never blame the lord when it all goes wrong
(Noemergencyexit) your self isn't the answer
I hate writing these fucking infernos because I'm called fake
I understand when I (noemergencyexit) myself I wanted to (noemergencyexit)
I sat there with booze and a (noemergencyexit)
I looked at the damaged
I still do
I can't forgive the whore who made me (noemergencyexit) myself
I talked with people who have (noemergencyexit) in the past
And I can feel the regret
They say it saves you but please tell me how (noemergencyexit) help??
Please the psychologist's and psychiatrist's want to know so they save those who wished to be saved
My first two (noemergencyexit) infernos I was trying to show a subject but never realized
I wanted to save someone who really needs it
The feedback has been hard
The people don't understand (noemergencyexit) doesn't help
You're in a maze with no way out
But scream and shout and we will try save you
I will hit the lights and brighten your darkest hallways and things
Just so you can see
I understand you're in pain
But I don't understand why you tried (noemergencyexit)
